TERMS OF REFERENCE

Background

This interrelated web of challenges being faced by the state of Assam regarding environmental and biodiversity conservation needs urgent solutions. To support the Forest Department of Assam in its endeavour to effectively manage its forest and biodiversity, the French Development Agency – Agence Française de Développement (AFD) and the State Government of Assam co-funded “Assam Project on Forest and Biodiversity Conservation (APFBC)”. Phase – I of the project was implemented between February 2012 and May 2019. Phase II of the project commenced in August 2019.

The Assam Project on Forest and Biodiversity Conservation Society (APFBCS), a Special Purpose Vehicle created by the Government of Assam and registered under the Societies Registration Act is mandated with overall execution, management, and coordination of the project activities in Phase II through a Project Management Unit (PMU) established to implement the project. Project implementation sites - Forest Divisions and other entities – would be considered Field Implementation Units (FIUs). The PMU is supported by technical assistance from a Project Management and Monitoring Bidder (PMMC).

The overall vision of the project is that it contributes through the Forest Department to the conservation of nature for a healthier ecosystem and happier communities. Participatory biodiversity management, sustainable livelihoods of communities dependent on forests and biodiversity, and institutional strengthening are key objectives under Biodiversity Conservation. These actions would support larger goals under the Conservation of Ecosystems component and the overarching vision of the project.

Objective

India has enacted the Biological Diversity Act, in 2002 with the overall goal of biodiversity conservation and sustainable utilization of biodiversity. The Government of Assam had introduced the Assam Biodiversity Rules, 2010 for implementation of the Act in Assam. Under Section 25 (16) of the Assam Biodiversity Rules 2010, each BMC is mandated to prepare a Biodiversity Management Plan (BMP), using output from People’s Biodiversity Registers. Under the Collaborative Biodiversity Management component of APFBC Phase II, 50 high priority lighthouse Biodiversity Management Committees (BMC)s have been selected for strengthening through capacity building, updation of Peoples Biodiversity Registers (PBR) and preparation and implementation of Biodiversity Management Plans (BMP).

The Biodiversity Management Plans include activities to be implemented in respective BMC areas for a five-year period, focusing on aspects of assessment and documentation of biodiversity, ecological restoration, capacity building, sustainable livelihood enhancement. Based on the priority and conservation values of respective areas, the ASBB has selected 30 BMPs for implementation of selected activities within the BMC areas. Based on the same, the present tender includes carrying out of livelihood enhancement training based on apiculture/ vermicompost making/ bamboo handicraft making in selected BMC areas in Assam. The Bidder must conduct a total of 13 (thirteen) such training within the stipulated timeframe of 4 (four) months, covering aspects as detailed out in the scope of work.

The ASBB therefore, invites bids from suitable agencies (hereafter referred to as “The Bidder”) to implement these activities in an effective and timebound manner.

Scope

The Bidder would conduct training program in selected BMC areas in the two identified sustainable trades (apiculture & vermicompost making) within three months of contract signing. The work would be carried out under the guidance and supervision of the Assam State Biodiversity Board, and in close cooperation with the respective BMCs.

The detailed scope of work is as follows:

Scope of Work:

- I. The Bidder is to submit total cost estimates for all 6 training programs under the two thematic aspects, as highlighted earlier (apiculture & vermicompost making) in select BMC areas.
- II. The tentative BMC locations for conducting the training programs are as following:
 - a. **Apiculture training:** Majuli Anchalik Panchayat (Majuli), Ujoni Majuli Anchalik Panchayat (Majuli), Dimoria Anchalik Panchayat (Kamrup Metro) - **3 nos.**
 - b. **Vermicompost training:** Central Jorhat Anchalik Panchayat (Jorhat), Sonai Anchalik Panchayat (Cachar), Ramkrishna Nagar Anchalik Panchayat (Sribhumi) - **3 nos.**
- III. The Bidder is therefore advised to cover and include all aspects of training costs in their quoted estimates, including tentative travel costs/ logistics/ venue/ participant refreshment costs, while quoting the unit training costs.
- IV. No correspondence or negotiations from The Bidder shall be entertained regarding the training locations and the total number of training programs to be conducted, after the selection and award of contract.
- V. The training venue and logistics may be finalized by The Bidder in consultation with the respective BMCs. The list of participants for each training would be provided by the BMCs.
- VI. The training on apiculture must be of minimum 5-7 days duration and must be conducted on site in selected BMC areas, which shall be finalized and intimated by The Board.
- VII. The apiculture training module must be conclusive and cover all aspects of bee keeping, maintenance of bee hives, extraction and collection of honey, and others. The support materials to be distributed must include artificial beehives (individual basis), bee-colony (individual basis), honey extractors (10 nos.), smokers/ protective equipment/ collecting containers (individual basis).
- VIII. The vermicompost training must be of minimum 3-4 days duration and include distribution of vermi-bed and vermi-units on an individual basis to each of the participants.
- IX. Upon completion of all the training programs Training Reports (3 copies each for both the training programs) must be submitted describing the thematic aspect wise

(Apiculture/ Vermi compost) with site-wise details of participants, their feedback and photographs.

- X. All training programs must be completed within 90 days (three months) from the date of signing of contract.
